Company Profile

Wuxi Lejin Electronic & Electrical CO., Ltd. Maanshan Brightness Lighting Co., Ltd.

We are a commercial enterprise specializing in the R&D, design, production, sales and service of lighting and holiday lighting products.

To expand production capacity, in 2010 our company acquired 13,000 square meters of land in Anhui and established Maanshan Brightness Co., Ltd., with a factory covering 6,800 square meters.

Our products are operated independently in a one-stop manner, from planning, material selection and design to procurement, production quality control and after-sales service.

With 20 years of development, our products have been sold in more than 60 countries and regions worldwide. Going forward, we will continue to innovate, develop new products and consolidate our foundation for rapid growth.

COMPANY VISION:

Create a happy culture, so that employees can have a delicate life. Deliver quality products, so that customers can enjoy the supreme services.

COMPANY MISSION:

Keep making efforts to provide high-quality commodity and perfect service for domestic and foreign customers, and to meet the new demands of customers!

COMPANY SPIRIT:

People-oriented, the pursuit of excellence; hard work and enterprising, never say never.
